# Being an Effective Communicator

## Being understood and being understanding

This course will enable participants to:

- Recognise the elements that constitute highly effective communication and language approaches
- Identify key approaches that will enhance communication and language development
- Be able to develop children's spoken language skills through modelling effective communication

Practical day one with activities to support:

- Analysing data to support groups of children and close the attainment gap
- Starting points, assessment and planning next steps
- Teaching and learning skills
- Play based curriculum, indoors and outdoors
- Engaging parents in supporting learning at home

Reflective second session (day 2):

- Discuss how implementation has gone and how to sustain the legacy
- Peer support and networking
- Action planning
