Cost per place

£90

Have the knowledge and confidence to make reliable assessment judgements of 'exceeding' for the EYFS Profile. Develop teaching and learning strategies to improve children's progress towards 'exceeding'.

Delegates will consider evidence that can be used to make assessment judgements of 'exceeding' in a wide range of areas of learning.

They will explore how teaching strategies and a high quality learning environment can enable some children to make progress beyond the EYFS Early Learning Goals.

Please bring some observations and evidence for children working securely within a range of Early Learning Goals and/or for children you consider to be working at an 'exceeding' level.

This course will enable practitioners to:
