

# GRT Professional Network

**This is a Professional Network for GRT Coordinators, GRT nominated staff and any staff working with the GRT community in schools, academies and settings**

We would like to invite you to an exciting professional networking group with a focus on Gypsy, Roma and Traveller (GRT) pupils in Norfolk schools to explore best practice and provision. You will be able to engage with colleagues county-wide and share good practice, broaden your knowledge and develop new skills.

**We will be covering topics, such as:**

- Ofsted Good Practice Case Studies
- Tools that allow demonstration of progress for one of the lowest achieving minority ethnic groups nationally
- Teaching and learning resources and activities that reflect Gypsy, Roma and Traveller culture
- Strategies for teaching, learning and assessment of GRT pupils
- Transition and retention of GRT pupils

We will also be inviting input from the National Association of Teachers of Travellers and other Professionals (NATT+).

**You will have the opportunity to:**

- share concerns, ideas and solutions with colleagues countywide
- access informed advisers with GRT expertise and knowledge
- keep abreast of national and local developments
