

Hello everyone and very best wishes to you as we (hopefully) leave the cold, dark, winter days behind and head into a sunnier springtime. It's also time to think about learning outside the classroom, or hosting visiting practitioners in school. **We can help with all that!** We have some great options available, **do please pass this on to all staff and take a close look overleaf.** It gives me great pleasure to introduce Lindsay Blankley, our newly appointed Schools & Family Learning Officer. It is great to have her on board. **We really look forward to working with you this year!** Do get in touch on:
