Easter Joy

Thursday 6th & Friday 7th April

Abseiling and Ascending

Participants will test their stamina by hauling their own body weight to the top of our climbing wall using our ascending kit. They will learn to abseil from the top of our climbing wall, with expert tuition from our instructors. We guarantee participants will feel a terrific sense of achievement when their feet touch the ground. Suitable for those who have completed our Introduction to Climbing workshops/courses or have similar climbing experience.

Wizard Academy

Does your child love Harry Potter? Want to tune into their wizardly ways, make potions and wands? Now they can on this two day Hogwarts themed course. Learn to write their own spells, create wizard stories and most importantly have fun!

Stop Frame Animation

Do you know someone that would love creating their very own animation films like Wallace and Gromit or The Lego movie? This course is perfect for developing their very own filmmaking and story boarding skills. They will work with digital equipment and software to create movies using the props, models and scenery created throughout the day. They may even want to make a cameo appearance themselves! This workshop promises to let imaginations run wild!
