

# Action Surgery - GDS at Key Stage 2

**Your chance to explore recently-released STA materials for GDS writing with experienced professionals and time to share & compare Greater Depth writers from your school.**

## Course Outline

Be confident in your assessment of children at Greater Depth and prepare for moderation with this Action Surgery. Using recently-released materials direct from the STA, and including the most up-to-date clarifications & examples of real children's work, participants will be well-prepared to assess children confidently at Greater Depth. During the session, participants will have the opportunity to share work from their students and compare their evidence base against the new materials, supported by experienced English experts.

## By the end of the course participants will:-

- be aware of the latest requirements surrounding the Greater Depth writing standard at Key Stage 2
- be confident in their assessment of writing at the Greater Depth Standard
