

Introduction to Primary Subject Leadership - Foundation Subjects

This course introduces the key skills required by successful subject leader of the foundation subjects.

Course Outline

You will consider the role of subject leader in driving a learning culture to ensure that all children are motivated to achieve their full potential.

This course will consider Ofsted guidelines on good subject leadership and the role of monitoring, evaluation and action planning in raising teaching standards and improving the quality of pupils learning.

By the end of the course participants will have a clear understanding of subject leadership requirements regarding:

- Quality of teaching and learning for their faculty/ department, monitoring, evaluating and challenging practice to deliver BEST outcomes.
- Data scrutiny, forensic analysis that leads to flexibility in curriculum offer, delivery style and teachers matching expertise with pupil need.
- Curriculum map - underpinned by the best pupil outcomes that match closest with school accountability measures.
- Performance management of teaching staff to support meeting school improvement and accountability targets.
