

School Attendance Management

School attendance and related legislation, best practice staged school approaches incorporating Serious Case Review learning, effective legal interventions and compiling criminal standard prosecution.

Course Outline

The course will cover school attendance and related legislation, guidance and school level compliance. We will discuss the use of best practice staged school approaches and interventions incorporating learning from Serious Case Reviews to improve individual pupil and whole school attendance levels. We will look at the use of data to inform practice and policy. We will cover the use of effective legal interventions and compiling prosecution evidence to meet criminal standards.

Course Outcomes

- Greater understanding of the legal framework underpinning school attendance
- Articulate what good practice of whole school attendance management looks like and consider alongside current approaches in own setting
- Enhanced understanding of effective legal interventions and how they can be used in setting to meet the needs of persistent absentee pupils
- Develop confidence in collating prosecution evidence meeting criminal standards of proof and giving live evidence in Magistrates court
