

Physical Activity and Education Conference

Educator Solutions 

Educator Solutions and Active Norfolk are proud to present a one day conference to launch Norfolk's New Active Future Strategy.

Course Outline

This conference will showcase how the latest national strategies can be utilised to support the holistic well-being and long term positive health of all young people through PE, sport and physical activity.

By the end of the conference participants will:-

- understand local and national agendas related to physical activity and obesity within the context of the Personal Development, Behaviour and Welfare Ofsted Framework
- be able to plan PE Premium spending that has a demonstrable and sustained impact on pupils health and well-being
- review their current PE provision to ensure that it fits within the whole school curriculum and improvement plans to assess pupil outcomes for PE within the Teaching, Learning and Assessment Ofsted Framework
- have a clear understanding of the support available in Norfolk in regard to PE and well-being.
