Dear Headteacher

Over the coming week you should receive copies of new information booklet **'Moving up to Secondary School - Information for young people, parents and carers.'**

This leaflet is for distribution to **all Year 6 pupils** and includes an offer of a Year 6 Health Assessment to each child at parents request by a School Nurse Team member.

I would be grateful if you could ensure that every Year 6 pupil in your school receives a copy to take home. An electronic copy to email to parents or share on your school is attached alongside this letter.

If you have any questions or would like to discuss this offer further please do not hesitate to contact me.

Yours Sincerely

Marie Balfour
