

# Take the headache out of Sex Ed!

## New Relationship and Sex Education Resource – Available Sept 2017

A teaching resource to provide your school with everything needed to deliver effective, needs-led RSE.

The scheme of work will provide 6 developmental lessons that progress through the year groups to ensure a spiral curriculum with coverage of new and emerging themes including gender identity, different families, sexuality, female genital mutilation and forced marriage, sexting, pornography as well as timeless topics such as puberty, menstruation, STI's, contraception and accessing support services.

Every lesson plan will include:

- Formative and summative assessment strategies to enable needs-led teaching and evidence of impact.
- Teacher Top Tips to help you foresee and navigate arising issues from the most contentious SRE themes.
- Trigger questions to ease RSE discussions as well as guided wording to support teaching.

In addition to the scheme of work you will receive the following to ensure a fully embedded, whole school approach to RSE

- Model Policy
- Template letters home to parents and guardians
- Guidance on hosting parent workshops
- Tools to facilitate pupil consultation
- Guidance on creating a safe learning space
- Managing common classroom issues and answering tricky question

**Fully printable resources for minimum preparation and ease of lesson delivery.**

**RSE Education Resource is available for both Primary and Secondary curriculum.**
