

Speech and Language Therapy Training

For TEACHERS AND TEACHING ASSISTANTS

Delivered by East Coast Community Healthcare Speech and Language Therapy Service

ELKLAN

Speech and Language support for 5-11's
This course is accredited with the Open College Network.

£375 (including VAT) per delegate: includes ten 2.5 hour training sessions, marking of portfolios, accreditation fee and Language Builders book

This is an externally accredited course for those working with children aged 5-11 years. It provides information and strategies to develop the communication skills of all children but especially those with speech, language and communication needs. This course enables schools to work towards Elklan's Communication Friendly Schools accreditation.

When - Wednesday 13th September 2017 for 10 weeks excluding half term, 9.15-11.45am

Where - Dereham Children's Centre, London Road, Dereham, NR19 1AS

Is it for you?

The course is for all staff working with children in Key Stages 1 and 2.

What will the course cover?

The course uses interactive teaching methods, practical activities, videos and group discussion to engage learners and will provide you with practical skills to support the communication development of all children in the classroom. You will complete a portfolio, adding to it each week, this will help to put into practice what you learn on the course. Students can choose to compile a portfolio which will enable them to gain a level 2 or level 3 accredited qualification through the open college network.

This course will help you to:

- **Understand how normal communication develops**
- **Develop children's listening, attention and independent working skills**
- **Speak so that children understand you**
- **Build children's vocabulary**
- **Encourage children to speak more clearly and use longer sentences**
- **Improve children's phonological awareness**
- **Develop children's effective communication and social skills**
