

## Schools & Family Learning Department

Dear colleagues

This comes with our very best wishes for the summer term ahead. We had an exciting start to term here as the photos on the right show.

We hosted Science & Faith days with the help of Ogden Physics Trust investigating gases, compression, space & the solar system, linked with Jesus, king of an amazing universe. Let us know if you're interested in more Science with R.E. days, we have on-going programmes on offer each term. Gravity/forces/sound/light/nature & birds...tell us what you need!

Schools also beat the drums, danced, sang and learned about worship in an African village with Alli Bullivent.

Take a look at these exciting 'specials' ...contact us for more information and to book.

6th & 7th November 2017

Art Days for KS2

'Explore the symbol of the cross'

There are many styles of crosses around the world. Explore the Christian family worldwide. Design crosses, make a school banner. Collage work using various media & skills. Reflective activities about the Christian symbol, prayer & worship the cathedral's chapels.

A great way to merge your Art & R.E.

£4.50 per pupil/full day, 10.00 a.m.—2.00 p.m.

Call for more info...01603 218320

# NORWICH CATHEDRAL

Bishop's CE Primary School

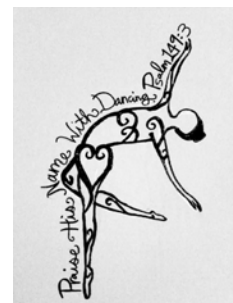

## A FLAVOUR OF HINDUISM THROUGH DANCE led by the talented schools' practitioner, Lorraine Theobald

Spaces available on 12th & 13th July (14th full). Hindu artefacts, and inspiring dance, plus time in the cathedral exploring Christian worship through song and dance.

## 'Bible Lands Dance Days' 28th & 29th Sept also led by Lorraine.

Lots of music and dance to bring alive the life and times of the Bible to enhance your R.E.

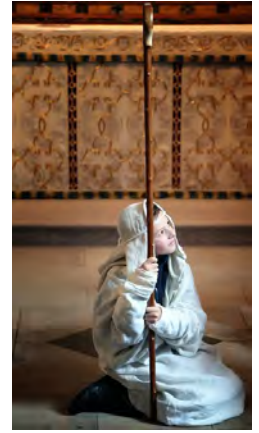

Fun exploration of the rich worship music God's people have been offering since Old Testament times.

£5.00 per pupil/full day 10.00-2.00

## Book early for 'Discover Advent & Christmas!

The November/early December period gets crammed here so do book early.

This half or full day programme brings the festival alive through characterised story telling as they journey through the cathedral to Bethlehem plus a craft workshop.

Why not book a glass tile mosaic workshop as part of your Worship & Belief Visit or as part of 'Maths, Art & R.E. Cracked? Its great fun and links brilliantly with your Christianity concepts about how christians worship in community, in sacred places, signs & symbols, pilgrimage including other world faiths too!

**History**, exploring your locality, important historical figures... all can be brought alive here. **Monks, Normans, Edith Cavell, Florence Nightingale, Mary Seacole, Bishop Herbert**

Don't forget we can also bring characters and more into your school. £2 per pupil. Story telling, drama, artefacts.

Photos show a pilgrimage & world faiths labyrinth day at St Francis RC Primary School, Norwich. Fun activities, drama, singing and more.
