

AUTISM ANGLIA'S E-SAFETY ROADSHOW FOR PARENTS, CARERS & PROFESSIONALS

The amount of time that young people spend online has trebled in the past ten years. Technology is ever-changing and evolving, bringing with it exciting new advances and also new dangers for internet users.

Drop on for a free day of interactive games, discussions and quizzes designed to give parents, carers, individuals and professionals up-to-date information on how to promote positive internet use and safe online citizenship.
