Please note the following information:

- The training will be delivered by a Speech and Language Therapist who is an accredited ICAN licensee.
- **If not already held, your school will need to order Talk Boost resources prior to the training directly from ICAN. All staff attending the training will need a delegate book. Please see separate information regarding Talk Boost resources.**
- The charge for the training is £50 per staff member, we would normally recommend that staff are trained in pairs, i.e. a teacher and a TA, we can however discuss your individual requirements.
- Once trained the TA will be able to run three 30-40 minute sessions a week, for a group of 4 children. There is also one whole-class activity once a week. This continues over 10 weeks.
