

# Norfolk Steps 'Step On' Service Tutor Training

**Become a Steps Tutor in your setting to train and support colleagues in the Step On curriculum.**

## Course Outline

Investing in this 3 day course will equip you with the skills and knowledge of the Step On curriculum to train your colleagues, maintain their Step On certification and to continually influence practice within your own context.

This course will be grounded in the Steps principles of developing therapeutic approaches to behaviour and will be delivered through a practical, interactive approach.

Participants are likely to be those who already have a therapeutic attitude to children and young people and an ability to train colleagues in the Step On knowledge and physical skills.

## By the end of the course participants will:-

- understand the theoretical principles that underpin the Step On curriculum
- have knowledge of how to apply a range of de-escalation strategies
- know how to use and demonstrate safe use of physical intervention
- be confident in delivering the Step On curriculum in their own setting.
