

Effective Use of the Pupil Premium

Is your Pupil Premium Strategy doing what you need? The aim of this course is to provide schools with the knowledge and skills that will enable them to ensure that funding is used to best effect. It will draw on the latest national research and provide a range of practical ideas to be used back in school.

For this academic year, schools must include:

- a summary of the main barriers to educational achievement faced by eligible pupils at the school
- how schools spend the Pupil Premium to address those barriers and the reasons for that approach
- how schools will measure the impact of the Pupil Premium.

Course Outline

This course will guide you through, and provide a wealth of information and resources for you to confidently create an effective Pupil Premium strategy.

By the end of the course participants will:-

- have a clear understanding of the new statutory requirements
- have a framework to support the identification of barriers to learning of this pupil group
- be able to clearly state the rationale behind their spending decisions
- will have a range of approaches to measure the impact of the Pupil Premium spend.
