

International Collaborative Learning Conference 2018

A FREE all day conference which is to be held at The John Innes Centre, Norwich on Wednesday 21st March 2018.

Come to hear our international partners discuss best educational practice in China, Norway, Belgium and Berlin, as well as a presentation from Louise B. Swiniarski Ph.D., Professor Emerita of the School of Education, Salem State University, USA.

Discover and explore the international teaching and learning partnerships that are taking place in Norfolk and how you can become involved.

These partnerships include an Early Years project focussing on professional development, working in partnership with families and pedagogical approaches, a primary cross-curricular programme linking Science, Art and Writing (SAW), secondary research schools, developing independent learners, learning environments and vocational education.

Norfolk senior leaders will lead workshops to identify aspects of effective practice that could be implemented within the context of Norfolk schools to enhance teaching and learning outcomes.
