

Planning for Success: Year 6 Writing Project

Improve writing outcomes in Year 6 by enabling teachers to effectively structure, deliver and tailor curriculum content in this year-long, evidence-informed project.

Course Outline

Using evidence from current educational research, this project promotes and demonstrates the most effective techniques for the teaching of writing in this key curriculum year.

You will understand how to use curriculum mapping and iterative practice to structure learning, build engagement in class and enhance pupils confidence in their writing skills.

By the end of the course participants will:

- have the skills to design and deliver an effective writing scheme of work
- develop their understanding of effective writing teaching sequences
- understand the key principles for effective writing teaching.

Session on 20/04/2018 will be an appointment for bespoke support with an English specialist adviser.
