

Learning on the Marriott's Way

With adaptable, cross-curricular outdoor experiences.

The Marriott's Way Heritage Trail can offer a range of flexible, curriculum-linked sessions using the natural and historic environment to inspire learning.

Funded sessions available from September 2017

Supported by

The National Lottery
through the Heritage Lottery Fund

Norfolk County Council

Sessions from September 2017

Free learning opportunities along the Marriott's Way. Contact us about transport bursaries.

The Marriott's Way is a 26 mile walking and cycle path, and a designated County Wildlife Site, following the route of two disused railway lines. From providing the inspirational setting for creative work, to bringing history to life in the landscape, sites along the length of the trail can enrich your pupils' learning, contribute to local history study and encourage a love of the outdoors.

Available sessions include:

Nature through the Seasons (KS1 & 2)
WW2 Evacuee Experience (KS1 & 2)
How to Build a Victorian Railway (KS1 & 2)
The Impact of the Railways on People and Wildlife (KS2)
Managing the Marriott's Way (KS3)
Art & Poetry on the Marriott's Way (KS1-4)

Contact us to discuss these or other opportunities tailored to your students
