

Visit Leadership of Curricular Swimming Lessons

Mandatory course for Teaching Assistants for the safe supervision of curriculum swimming.

Course Outline

This course supports the deployment of anyone other than a qualified teacher to act as Visit Leader when taking children to swimming lessons off-site. In this way headteachers can be confident that their school is fulfilling its responsibility for safe swimming provision.

The course will ensure that delegates understand their role and responsibilities when taking pupils to swimming lessons. They will be guided to assess their school's current provision and, in liaison with their Educational Visits Coordinator (EVC), to confirm their school complies with national and local guidelines.

Important information:

This is a theory-based course and does not include pool time.

Certificate of attendance will be issued after the event.
