

Primary Languages Methodology (and differentiation)

Course Outline

This course will provide methodology training for teachers and/or TAs delivering Primary Languages as part of the new National Curriculum. The training has been designed specifically for colleagues who have had little or no experience of teaching languages before. The day will focus on building confidence and demonstrating a range of practical and creative examples of teaching activities.

By the end of the course participants will:-

- gain an understanding of the key principles of Primary Languages methodology;
- be provided with a range of practical teaching ideas and activities for immediate use in the classroom;
- receive information on resources and available support and guidance. gain an understanding of the key principles of Primary Languages methodology;
