

# Having fun at Key Stage 1 with Primary Languages

## Course Outline

This course will provide Primary Languages practitioners with the training and support necessary to effectively plan and develop the KSI languages provision in their school. Participants will also have the opportunity to explore a range of creative and interactive teaching and learning approaches.

## By the end of the course participants will:-

- have the opportunity to reflect on the value of early language learning
- gain an understanding of how to approach language learning with EYFS and KSI children
- be provided with a range of practical teaching ideas and activities for immediate use in the classroom
- receive information on resources
- have fun!
