Win tickets to see
'DICK' at the
St Georges Theatre
this Christmas

Join the Environment Agency to look at how flooding has affected Great Yarmouth over the past ten years. Learn more about what we are doing to protect the people and businesses now and in the future and what everyone can do to become more flood resilient.

Find out how a tidal surge develops and how to prepare for flooding, what actions to take if asked to evacuate and how to keep yourself safe.

We are joined by our partners from:-

Great Yarmouth Borough Council
Flood Narratives project, University of Cambridge
Lowland Search and Rescue
Norfolk County Council
Norfolk Fire & Rescue
Norfolk Police
Coastguard and RNLI
Plus many more

Win great LEGO prizes
