Bring your class to visit Easton Campus Farm this November

£4-60 per child (usual full day visits range from £5-40 - £5-80 / child)

Arrival 10am, Departure 2pm (these slightly shorter timings may also reduce your transport cost)

Maximum 35 children, suitable for all primary ages

A farm visit in the morning, with the option of a shorter route if weather is poor

In the afternoon teachers may choose autumn crafts, farm crafts or a mix of the two, or they may choose a shorter version of a paddock to product programme

We will do our best to tailor the programme of the day to your requirements

- See the sheep in their fields – their fleeces have grown, they are toasty warm and ready for the winter ahead
- Watch the pigs, playing in their pens & snuggling in the cosy straw
- Visit our laying hens, listen to them clucking, watch them as they scratch & peck in their straw (you might even be lucky enough to spot an egg!)

Visits available Monday-Friday

All visits led by trained and dbs checked staff

Clan Trust travel grant available for farm visits
