Norfolk Healthy Child Programme - 5-19 Pathway event

You are invited to attend one of our stakeholder events that we are offering throughout the county during October and November. These will give you the opportunity to hear about our redesigned pathway that is being offered to young people between the ages of 5-19 years.

We have re-developed our pathway, with input from stakeholders, services users and our own staff to enable us to improve health outcomes for children and young people in line with public health outcomes and by targeting children and young people identified as being most at risk of not reaching their full potential.

We would like to share this pathway with you and would welcome your presence at one of our workshops listed below. Ideally you should attend the one in your locality so you will have the opportunity to talk with local colleagues from our Health Child Programme and with the wider stakeholder network. However if you are unable to attend your local event you are welcome to attend on another date elsewhere.

We are intending to showcase key aspects of the service offer through a "market place" exercise and would welcome you to join us in this exercise by bringing along any stands/ resources that illustrate key initiatives that either your school or agency are in the process of delivering.

The workshop dates and times are as follows:

Locality	Venue	Date
South	Diss Business Park, Hopper Way, IP22 4GT	23 November 2017
North	The Links West Runton, NR27 9QH	29 November 2017
West	Kings Lynn Innovation Centre, Innovation Drive, PE30 5BY	22 November 2017
City	Professional Development Centre, Woodside Road, NR7 9QL	21 November 2017
East	Kings Centre, 30 Queen Annes Road, Great Yarmouth, NR31 0LE	9 November 2017
Breckland	Green Britain Centre, Turbine Way, Swaffham, PE37 7HT	Postponed

Refreshments will be offered and all sessions will commence at 14:15hrs and finish promptly at 16:30hrs.
