

Planning for Progression in Primary Languages

Course Outline

What does 'substantial progress in one language'* look like at KS2? This course will provide specific training on the new Programmes of Study and links to the KS2 Framework for Languages. The day will focus on progression in language learning across the four main skill areas of Listening, Speaking, Reading and Writing.
*The National Curriculum in England Framework Document

By the end of the course participants will:-

- receive specific training on the use of the Key Stage 2 Framework for Languages linked to the new Programmes of Study
- learn strategies to ensure pupils make sustained progress across the four main skill areas;
- have opportunities for reflection and discussion.
