

Autumn Bulletin

Music Teachers, do you want to win £700 worth of resources for your school?

Well you can! Meet **Shake It Up**, the brand new music competition for Schools, hosted by the Schools Printed Music Licence (SPML)

SPML celebrates musical education and Shake It Up is intended to showcase the importance of printed music in Schools. It is only by shining a spotlight on how children come to life when they perform music that the importance of a musical education can really be witnessed.

The SPML has covered music teachers to make unique arrangements from printed music for a number of years. Shake It Up invites you to submit one of these arrangements for the chance to win up to £700 worth of resources for your music department. You can find more details on the competition, as well as the **terms and conditions**, on our website.

We'd love if you could spread the word to any and all music teachers you may know and with your help, we can show that with the aid of printed music, students are able to make the music their own.
