

Pocket Sized PSHE

Review, re-vamp and ensure your PSHE meets statutory duties in just one day!

Course Outline

A comprehensive PSHE education training day aimed at everyone involved in PSHE education in schools. Covers all strategic elements such as policy development, consultation and curriculum design to ensure PSHE meets statutory duties and Ofsted requirements, before looking at effective teaching, learning and assessment using quality-assured, age-appropriate teaching resources and strategies, designed to build skills and boost confidence in ensuring best practice PSHE teaching, contributing to whole school development and improvement, promoting pupil health and wellbeing, reducing barriers to learning whilst improving attendance and attainment.

By the end of the course delegates will:

- gain a full and thorough understanding of PSHE education as a subject, and how it is fundamental in ensuring a school can fulfil statutory duties and Ofsted criteria
- know how to develop a needs-led and relevant PSHE programme that works in your school's context and compliments its ethos
- understand what constitutes effective teaching and learning in PSHE education, including how to effectively assess PSHE lessons
- increase your confidence as a PSHE subject leader and teacher.
