

ADHD in Education Level 3

ADHD Norfolk are excited to be offering our new ADHD in Education Level 3 qualification. This qualification is accredited and regulated by Ofqual and combines the ADHD awareness element with the supporting ADHD element.

Learning Outcomes

The **Awareness** element will cover (Part 1) :

- Understand what is meant by 'attention deficit hyperactivity disorder' (ADHD)
- Understand the causes of and treatments for ADHD
- Understand how ADHD is assessed
- Understand how ADHD can affect individuals
- Understand ways to support the learning of individuals with ADHD
- Know about sources of information for individuals with ADHD and those supporting them

The **Supporting** element will cover (Part 2) :

- Be able to take a person-centred approach to supporting learning for individuals with 'attention deficit hyperactivity disorder' (ADHD)
- Be able to select and adapt teaching and learning resources to meet the needs of individuals with ADHD
- Be able to adapt the learning environment to meet the needs of individuals with ADHD
- Be able to monitor the progress of individuals with ADHD
- Be able to evaluate and adjust learning support strategies to meet the needs of individuals with ADHD
