

# The Role of the Primary Languages Subject Leader

## Course Outline

It is a big responsibility to lead the successful implementation of a new subject in the primary curriculum. This course will provide the Primary Languages Subject Leader with the training and support necessary to effectively plan, develop and monitor the languages provision in their school.

## By the end of the course participants will:-

- receive guidance on the development of a cohesive and effective long-term plan for the teaching and learning of languages;
- gain an understanding of how to monitor and evaluate current practice in Teaching and Learning;
- receive guidance on how to support, motivate and advise staff, and work alongside them in the development of their classroom practice;
- be provided with practical examples of how to successfully embed Primary Languages in the wider school curriculum.
