

Emergency Point of Contact (EPOC) & Visit Emergency Team Training

Ensuring effective management of emergencies arising from educational site visits

Course Outline

This is a nationally developed course to share best practice if faced with an incident/accident during an educational visit. The training builds on experiences from other Local Authorities following major incidents

By the end of the course participants will:-

- Know how best to react and support Visit Leaders when faced with an incident/accident on an educational visit.
- Be able to ensure their establishment's system is robust enough to deal effectively with emergencies or critical incidents during an off-site visit.
