

Signalong Foundation -Phase 1

This is an accredited course and suitable for anyone who provides support for those who use Signalong as part of their communication. It aims to develop the skills learners already have, to understand the communication process and develop learners abilities to communicate with those who have communication impairments.

COURSE OBJECTIVES

- To discuss the early development of language, social interaction and communication.
- To consider how sign supported communication supports children and adults with speech, language and communication needs.
- To practice using signing skills and signs to interact and communicate with others.
- To learn at least 360 words.
