

Speech and Language Therapy Training

For TEACHERS AND TEACHING ASSISTANTS

Delivered by East Coast Community Healthcare Speech and Language Therapy Service

Early Talk Boost– is a targeted and evidence-based intervention programme, which supports language delayed children aged 3-4 years to make progress with their language and communication skills. The training will give participants the skills and knowledge to;

1. Understand the rationale behind *Early Talk Boost*,
2. Identify appropriate children for the intervention programme
3. Measure their progress
4. Deliver the intervention successfully

Early Talk Boost training is designed for early years practitioners working with groups of 3-4 year olds in early years settings.

For further information about Talk Boost: www.ican.org.uk/talkboost

Date: Friday 16th March 2018

Venue: Woodside Centre Community Hub, Witard Road, Norwich, NR7 9XD

Cost: £60 (including VAT) per delegate

If not already held by your setting you will need to order Early Talk Boost resources prior to the training directly from ICAN. All staff attending the training will also need a delegate book. Please see the Ican web site regarding Talk Boost resources (£350 for the Starter Kit) at www.ican.org.uk/talkboost

Please email ECCH.SALTtraining@nhs.net or telephone 01493 808630 for further information.

Your place will be confirmed once we have received your completed application form.

Speech and Language Therapy Training

For **TEACHERS AND TEACHING ASSISTANTS**

Delivered by East Coast Community Healthcare Speech and Language Therapy Service

Speech and Language support for 5-11s

This course is accredited by OCN London

This is an externally accredited course for those working with children aged 5-11 years. Designed to be delivered over ten weekly sessions (each session lasts two and half hours) the course uses interactive teaching methods, practical activities, videos and group discussion to engage learners. It provides information and strategies to develop the communication skills of all children but especially those with speech, language and communication needs (see below)

This course enables schools to work towards Elklan's
Communication Friendly Schools accreditation

Date and venues across Norfolk and Waveney to be confirmed

Please email an expression of interest to ECCH.SALTtraining@nhs.net

Cost - £375 (including VAT) per delegate: includes ten 2.5 hour training sessions, marking of portfolios, accreditation fee and the Language Builders book

What will the course cover?

The course will provide you with practical skills to support the communication development of all children in the classroom. You will complete a portfolio, adding to it each week; this will help to put into practice what you learn on the course.

Participants will receive a Level 2 or Level 3 nine credit Award in Knowledge and Practice to Support the Communication Skills of 5-11s – both levels are now on the Qualification and Credit Framework.

A portfolio of evidence will need to be submitted.

Course Outline:

- What is communication?
- Understanding non-verbal communication, developing listening and attention skills
- Developing memory and independent learning
- Modifying adults' speech to help a child understand language
- Understanding beyond simple sentences
- Promoting vocabulary development
- Encouraging expressive language development and storytelling skills
- Promoting effective communication and social skills
- Supporting children with unclear speech and exploring the link between speech, reading and writing
- Management of stammering and other issues raised during the course

For further information about Elklan and the course content please see the Elklan website at www.elklan.co.uk

Speech and Language Therapy Training

For TEACHERS AND TEACHING ASSISTANTS

Delivered by East Coast Community Healthcare Speech and Language Therapy Service

Talk Boost KS1 – is a targeted and evidence-based intervention programme, which supports language delayed children in Reception and Key Stage One (KS1) to make progress with their language and communication skills.

The training will give participants the skills and knowledge to;

1. Understand the rationale behind *Talk Boost KS1*,
2. Identify appropriate children for the intervention programme
3. Measure their progress
4. Deliver the intervention successfully

Talk Boost KS1 training is for teachers and teaching assistants, training in pairs. It is recommended that staff attend in teacher and teaching assistant training pairs, as this is the structure that the intervention is based around. However, we can discuss your individual requirements.
