New referral process

At the start of January we introduced a new referral process and hopefully you have already received information regarding this. Just in case here are the key things you need to know

- Parents can refer just like before by ringing 01493 809977 or attending drop-in clinics for preschool children (these are not suitable for children with social communication difficulties or complex needs)
- Professionals can still refer by ringing 01493 809977, a telephone appointment can be booked but we will require a completed referral form to be sent in prior to your telephone appointment. This will help us make better use of your telephone appointment and ensure we have written consent
- If we receive a paper referral on its own a letter will be sent to the referrer and parent/carer asking for a telephone appointment to be booked

Communities as Teacher Events

As the new years starts we are planning a number of events to find out what you think about our service, the good and the not so good. These events will be advertised as Community as Teachers events,

The dates are as follows with flyers and booking details being distributed in the next few days

20/02/2018: King's Centre, Yarmouth
28/02/2018: St Augustine's, King's Lynn
01/03/2018: Dereham Football Club
13/03/2018: Woodside Community Hib Norwich.

Each session will last 2 hours and is suitable for both professionals and carers. Times will be published on the flyers. We look forward to meeting you.

Training

We have a new set of training released for this term including our course; Learning to Listen and Listening to Learn. Please find further details on our website
