

# NORWICH CATHEDRAL

Schools & Family Learning Department

## Explore Lent & Easter

Half or full day options available, at the cathedral or in your school throughout the Spring term on a date to suit you!

From Palm Sunday, to Passover & Last Supper, Jesus' arrest in the garden, crucifixion to resurrection, the children will experience and act out the story of the first Easter. Lots of time for reflection and questions. We also explore why Lent is such an important time of preparation for Christians around the world.

The half day or full day will comprise drama and story telling in the cathedral, plus a classroom workshop with craft.
