

Speech and Language Therapy Training

For TEACHERS AND TEACHING ASSISTANTS

Delivered by East Coast Community Healthcare Speech and Language Therapy Service

Talk Boost KS1 – is a targeted and evidence-based intervention programme, which supports language delayed children in Reception and Key Stage One (KS1) to make progress with their language and communication skills.

The training will give participants the skills and knowledge to;

1. Understand the rationale behind *Talk Boost KS1*,
2. Identify appropriate children for the intervention programme
3. Measure their progress
4. Deliver the intervention successfully

Talk Boost KS1 training is for teachers and teaching assistants, training in pairs. It is recommended that staff attend in teacher and teaching assistant training pairs, as this is the structure that the intervention is based around. However, we can discuss your individual requirements.
