

Applications Are Open for the Supercell Youth Board

An exciting opportunity for Secondary school students

The Diana Award is working with gaming company Supercell, the developers of Clash of the Clans, creating a Youth Board of young people to help explore bullying and negative behaviour on online gaming platforms.

Working closely with Supercell, the Youth Board will:

- Be trained to become a mobile gaming safety ambassador
- Create strategies to tackle cyberbullying in their games
- Meet some amazing, like-minded individuals who care about having a positive impact on the world
- Go on a fully-funded trip to Supercell's office in Helsinki, Finland
- Get a behind-the-scenes look at the world of gaming

It's an incredible opportunity to work with one of the biggest companies in gaming. By taking part, your students will have the opportunity to positively influence the lives of millions of young people across the world.

In order to be considered, the applicants must be aged **between 13 and 18**, live in the **UK** and be free to travel to Supercell's HQ in Helsinki, Finland from **Thursday 5th to Saturday 7th April (inclusive)**.
