THE GARAGE AT YOUR OPTIONS EVENING

Our experienced and knowledgeable staff can bring a stand to your school's options evening. For students considering GCSE options, we can discuss the potential of extra-curricular study at The Garage to broaden their in-school subject options. For 16+ events, our HNC programme can provide an aspirational goal for those committed to a career as a performer. Simply let us know the date and time and we will be there.

IN-SCHOOL HNC AUDITIONS

From February half term onwards, we can send our HNC team into school to run an audition and interview panel for your year 13 students. You tell us the date and time, whether this is lunchtime, after school or during lessons, and we will provide posters, flyers and a sign-up sheet. Whether we see 1 or 100 students, we want to make sure that everyone has a chance to find out more about the course and audition for a place.
