Why not hold a non-uniform day & support your local hospital?

As part of the summer celebrations to highlight **70 years of the NHS**, we are inviting schools to hold a non-school uniform day to raise funds for the N&N Hospitals Charity.

Money raised from the day will go towards our **Jenny Lind Children's Hospital** which provides care to babies and children at the hospital.

In recent years, money raised through the hospital charity has helped fund the children's playground, virtual reality TV and games, a sensory room and many more items.

While the NHS provides the necessities, the charity funds projects to make the hospital experience a better one for our patients, visitors and staff.

Donations to the charity make a difference and we are incredibly grateful for the support we receive.
