

Autism Speaker Event

Dean Beadle

Dean Beadle is a world renowned speaker who has toured the UK for the past ten years sharing his experiences as a person on the Autistic Spectrum. Through his humorous and insightful speeches, Dean outlines his positive outlook on his diagnosis and gives an amazing insight into the life of an Autistic child.

We would like to offer you the chance to join us and Dean for a morning of interactive workshop and inspirational talk to return your staff back to school, tooled up and motivated with strategies to support the children in their classes with ASD.
