

Effective Phonics: Phases 1-5

Plan effective and engaging phonic sessions to equip your children with the skills they need to become confident and fluent readers and writers.

Course Outline

Using Letters and Sounds as a model, this course will introduce delegates to and refresh their understanding of the principles behind planning and equip them with the teaching strategies needed for effective and engaging phonics sessions.

Delegates will benefit from experiencing the process of planning for each phase, having core teaching strategies modelled and leave with a host of ideas and contexts to use back in their own classrooms.

By the end of the course participants will :-

- have an overview of the progression within phonics
- be equipped with the skills needed to plan effective and engaging sessions
- be confident with the core teaching strategies needed to deliver effective phonics.
