

What Works...?

Thinking about improving outcomes in English?

A brand-new series of practical twilight sessions exploring what really works to make a difference in outcomes for children.

Designed to kick-start changes in school, all sessions are based on up-to-date educational research and include resources, tried and tested strategies and expert support.

Beginning at 4pm, these sessions are designed to be as accessible as possible and fit around the demands of school life.

Exploring themes such as;

Lesson Design

Designing teaching sequences

Cross-Curricular Writing

Collaborative learning

Phase

Primary

Audience

Headteacher,
Deputy Headteacher,
