

## Higher Level Teaching Assistant Support Programme

This newly developed programme devised specifically for HLTAs focuses on two key areas:

- What works well in learning and teaching
- How we can develop pupils over time

### HLTAs will leave the programme with:

- Effective classroom management strategies
- Knowledge about approaches that lead to the greatest impact
- Greater understanding of metacognition
- Coaching skills for peers and parents
- Plans that promote thinking skills that can be used for short notice cover

The programme which is run over three mornings is highly participative, interactive and involves modelling some of the approaches being considered.

The major aspects include:

- “Great Teaching” research from the University of Durham
- Pupil Premium impact
- Latest research about the brain
- Slow and fast thinking and coaching for improvement.

The programme will be delivered by **Glyn Rawlins** who over his career has been a Head Teacher, written training material for NPQH, provided system leader training in Norfolk and supported teachers and teaching assistants both in-school and on training programmes.

This course will be held at Fairstead Primary School, King's Lynn on:
