## Hello and welcome!

Summer is nearly here and **Whitlingham Adventure** is open to schools and the public offering a wide range of

water and land based activities for all ages and abilities (page 4).

We are pleased to announce our two new packages: **Relationships and Sex Education (RSE) Solution** which supports schools to prepare for statutory RSE in September 2019 and our new **Curriculum Package** which includes our Curriculum Toolkit along with consultancy and training to support your curriculum development.

Identify areas of development with our **free self-assessments** (page 2).

Dates for our full range of **summer courses** are available now, covering different subjects and specialisms. This newsletter highlights just a selection and you can find full listings on our website and the attached PDF.

Thank you to our customers for your continued support. We appreciate your business and feedback and look forward to continuing to support your training and service needs to deliver the best education possible.

# Are you ready for statutory Relationships and Sex Education?

We are committed about supporting schools to meet the challenge of delivering effective RSE in readiness for it becoming statutory in September 2019.

Our RSE support will provide you with everything you need to be ready including our RSE Solution, training and bespoke consultancy packages available for KS1, KS2 and Secondary.

The full resource will be available in the summer term. Take our **free online self-assessment** to identify areas of development at [www.rsesolutions.org.uk](http://www.rsesolutions.org.uk) and request your **free sample extract** to help with your planning now by emailing [rseenquiry@educatorsolutions.org.uk](mailto:rseenquiry@educatorsolutions.org.uk).

## Curriculum Development

Our Curriculum Package includes The Curriculum Toolkit, an online resource, together with options of training and consultancy to help make the best use of the Toolkit and support curriculum development. The Curriculum Toolkit focuses on four key areas: development, content decisions, implementation and evaluation.

This toolkit contains a full set of resources that support the development of each area of your curriculum at your own pace and prioritise according to your requirements.

Additional training can be provided for the Senior Leadership Team on how to make the best use of the Curriculum Toolkit and for English and Mathematics Subject Leaders on subject-specific curriculum development.

We can also provide a Curriculum Package that provides one day of in-school consultancy to support your curriculum development.
