

OPPORTUNITIES FOR STUDENTS AT THE GARAGE

TALENT SCOUT

Have you started rehearsing your Summer Concert or Production? We would love to come along and see your stars in the making.

If you have students that you think would find our courses valuable, why not invite us along to one of your performance dates so we can see for ourselves? We can offer bursaries on all of our courses, and have a limited number of scholarships available, so it would be great to get to know your young performers and let them know that training at The Garage could be an option for them.
