

## **Norfolk Healthy Child Programme - 5-19 Pathway event**

You are invited to attend our Breckland stakeholder event. This will give you the opportunity to hear about our redesigned pathway that is being offered to young people between the ages of 5-19 years and meet members of the local Healthy Child Programme team.

We have re-developed our pathway, with input from stakeholders, services users and our own staff to enable us to improve health outcomes for children and young people in line with public health outcomes and by targeting children and young people identified as being most at risk of not reaching their full potential.

We would like to share this pathway with you and would welcome your presence at our workshop.

We are intending to showcase key aspects of the service offer through a “market place” exercise and would welcome you to join us in this exercise by bringing along any stands/ resources that illustrate key initiatives that either your school or agency are in the process of delivering.

The workshop date and time is as follows:

**Friday 29<sup>th</sup> June 2018**

**The Carnegie Room, Cage Lane, Thetford, IP24 2DS**

**2-4pm**

Parking is not available at the venue but there are many free car parks close by.

Refreshments will be offered.

Please email Alison Bishop at [a.bishop3@nhs.net](mailto:a.bishop3@nhs.net) if you would like to attend.

Please also let her know if you would like to bring a display to contribute to our market place.
