

Level 5 Certificate in Primary School PE Specialism – 2018/2019

A primary school physical education qualifications for primary school teachers developed by the Association for Physical Education (afPE) and Sports Leaders UK.

Course Outline

This qualification will be an effective use of the physical education and school sport premium funding. By up-skilling primary staff teaching PE it will ensure a sustainable high quality primary school physical education. The programme is delivered through both theory and practical sessions working with pupils at the venue school.

This is a recognised qualification that aims to up-skill primary school teachers and higher level teaching assistants to improve the overall delivery of the physical education curriculum within primary schools.
