HEADTEACHER SUPPORT PROGRAMME

Teaching & Leadership

The Headteacher Support Programme (HSP) is a training programme developed by Headteachers for Head teachers on the core elements of effective headship. It will be facilitated by Headteachers to support school improvement and most particularly Headteachers. All Norfolk Headteachers who have attended gave excellent feedback. These are some quotes we have received:

'HSP was single-handedly the best supportive tool I have had to lead my school to make improvements'
'A clear focus gives impetus for rapid improvement' *'perfect, very informative & well delivered'*
'HSP was invaluable both in my personal development and for my work in school. This has honestly been the best CPD I've ever done'

HSP involves you working with colleagues, discussing issues and undertaking activities that will help you and improve your schools. The programme will run on seven days throughout the Autumn & Spring Terms. HSP is for infant, junior or primary Headteachers in small, medium or large schools. It will be practical, relevant to your school and context, it's up to date and will help you to become more effective & efficient.
