

Visit Leadership of Curricular Swimming

Mandatory course for Teaching Assistants for the safe supervision of curriculum swimming.

Course Outline

This course supports the deployment of anyone other than a qualified teacher to act as Visit Leader when taking children to swimming lessons off-site. In this way headteachers can be confident that their school is fulfilling its responsibility for safe swimming provision.

By the end of the course participants will:-

- understand their role and responsibilities when taking pupils to swimming lessons.
- have been guided to assess their school's current provision to confirm, in liaison with their Educational Visits Coordinator (EVC), that their school complies with national and local guidelines.
